

OPEN DAY

Saturday 6th July 10am - 2pm

Admaston House, TF5 0BN and on the Reserve

Welcome to our Open Day!

Find out about the huge variety of flora & fauna on the Reserve, discover the fascinating history of the site, or just enjoy the activities and visit the local groups exhibiting today; you'll be inspired and amazed at what's on your doorstep!

- **Drawing competition**
- **Bug exploration**
- **Pond dipping**
- **Dog photo competition**
- **Nature walk**
- **Hedging & woodcraft**
- **Find the missing animal**

For wildlife and you

Dothill Local Nature Reserve is a haven for wildlife looked after by Telford & Wrekin Council and a Friends group. This event would not have been possible without a grant from Telford & Wrekin Council, so huge thanks to them for this invaluable support.

John Wilkinson of the Amphibian and Reptile Conservation Trust will be on hand to answer your questions about our wonderful frogs, toads, newts, lizards and snakes.

Big, small, short, long, hairy, smooth, scruffy, cuddly, cheeky; dogs of all sorts! Can you give a dog their forever home? Talk to us about rehoming and other ways to support the charity.

Do you fancy becoming a Street Champion? Help us keep your neighbourhood tidy by litter-picking, maintaining Rights of Way, or helping the elderly with mowing lawns and pruning hedges.

The local branch of the Amphibian and Reptile Group is a volunteer organisation keen to discover more about, and conserve, these lovely creatures in Shropshire and Staffordshire.

This group, based in Wem, are enthusiastic and friendly falconers who are happy to share their knowledge and passion with you. Enjoy hands-on interaction with a range of beautiful birds of prey.

Come and see us demonstrating traditional woodland crafts, maybe try out some techniques yourself! Find out how you can play a role in tackling climate change and tree disease.
