

Small Mammal Survey

Where: Dothill Local Nature Reserve

Meet at: Notice board at the top of Tee Lake

(what three words: dissolves.animated.blurts)

When: Wed 3rd May 2023 at 20.00 and Thurs 4th May at 07.30
in the morning

Cost: FREE

We will survey various sites on the Reserve, place little tube traps for the small mammals (mice, voles, shrews) and leave these overnight. Early morning the next day we will check the traps and release any animals. Please bring a torch or head torch, appropriate clothing, and footwear. Minors must be accompanied by a responsible adult.
